5 reasons to choose NIVONA

TASTE

Inspired by portafilters. Made for special coffee moments. Our aroma technology offers countless variations to suit every type of bean.

PERFORMANCE

Every NIVONA device is finished with premium, robust components. Because we appreciate quality. And because we deliver quality with each and every fully automatic coffee machine.

OPERATION

Our fully automatic coffee machines are easy and intuitive to operate and clean. Which is why the brewing unit in our fully automatic machines can be removed for cleaning.

SERVICE

We care for coffee – and our customers. We are there for you whenever you need us, even after you have bought one of our machines. With our own hotline, our own workshop, and numerous service partners.

PLEDGE

We are a medium-sized business, with a clear commitment to specialist retailers. NIVONA equipment is only available where specialists know all about coffee and let you sample coffee directly. Because your taste is what counts.

NIVONA – Available from selected specialist retailers only.
